I remember when we would drive to the little town of Fulshear for BBQ at Dozier's Grocery and Market. OK, my mouth is watering now, but I want to tell you more.

Fulshear has grown up. The City is booming with growth. New communities, churches, schools, shopping centers, medical, government offices. And the City Council is diligent to keep the growth manageable and under control.

My focus, of course, is on the communities. Growth started years ago with the Weston Lakes Golf community, and it is still growing. I sold lots in this community and worked with the many fine builders in the area. Then came Cross Creek Ranch. Wow, what an incredible community with walking trails, nature centers, recreation center, dog park, and absolutely wonderful homes from the mid \$200,000's to over \$1,000,000.
